

DONOR PRIVACY POLICY

The Statue of Liberty-Ellis Island Foundation, Inc. (“SOLEIF” or “we” or “our”) respects the privacy of every individual and is committed to protecting your privacy. We understand your concerns about privacy and your interest in knowing how your information is used and safeguarded when you make a donation to us, and we want to provide you with more information on these topics. We have created this Donor Privacy Policy (the “Donor Policy”) in order to provide our donors with complete information related to our practices, policies and procedures in relation to all of the information that we collect from them. Please note that this Donor Policy applies to all information collected both online – including from our website located at www.statueofliberty.org (the “Website”) - and offline, from all venues and means, as well as any electronic, written, or oral communications. We may update this Donor Policy from time to time, so please check this Donor Policy periodically for changes. The date this Donor Policy was last updated is stated at the end of this document. If we make any substantive changes to this Donor Policy, we will use best efforts to contact you via the email address and/or postal address that you may have provided to us. If you have any questions about this Donor Policy, please do not hesitate to contact us at contactus@EllisIsland.org.

The Information We Collect From Donors

The only personal information that we collect from donors is the information that you voluntarily provide to us. For example, if you opt to make a donation by “clicking” the “donate” button on our Website, or if you donate to us via another website or venue with which we may partner, we will collect (or such other website or venue will collect on our behalf) certain personally identifiable information, which may include your name, email address, postal address and payment information. In regard to processing your donations – whether or not processed through a third-party payment processor - the payment information you provide to us will only be used to process your donation. If you opt to make a recurring donation, your payment information will be stored to facilitate future donations; otherwise your payment information will not be stored or used for any other purpose. Please note, that except as specified below under the heading “How We May Share your Information,” we do not sell, rent, share, trade or otherwise make available the names and personal information of our donors with any other organization or entity. Additionally, we do not send emails to our donors on behalf of other organizations or entities.

How We May Share Your Information

SOLEIF works with a variety of third-party partners who help us collect and process your donations. As an example, to process payment/donation transactions we work with third party payment processors, and therefore if you donate to us via our Website, they will have access to the payment-related information that you provide. We may also send periodic third-party email solicitations that may be of interest. Except as stated in this Donor Policy, we do not reveal personally identifiable information about you to third parties for their independent use unless: (1) it is necessary to allow SOLEIF and its service providers or agents to provide services on SOLEIF’s behalf, or (2) it is necessary in connection with a sale of all or substantially all of the

assets of SOLEIF or the merger of SOLEIF into another entity or any consolidation, share exchange, combination, reorganization, or like transaction in which SOLEIF is not the survivor, or (3) otherwise as SOLEIF is required or permitted to do so for any or all of the following reasons: (i) to comply with a subpoena, legal process, government request or any other legal obligation, or (ii) to investigate or prosecute criminal offenses.

Additionally, we may periodically exchange donor's postal mailing lists with other organizations, who similarly provide us with their mailing lists. Mailing list exchanges provides the SOLEIF with a cost effective way to potentially expand our donor base by obtaining the names and addresses of other likely donors. Please note that we do not exchange or rent email addresses. If you prefer that we do not exchange your name and postal address, please email us at contactus@Ellisisland.org with "do not exchange" in the subject line of the email, or call us at [\(212\) 561-4500](tel:(212)561-4500) and let us know that you do not want your name and address shared. In every case we will do our best to promptly respond to your request.
